CRUISE WHITSUNDAYS

The Whitsundays, made up of 74 islands and coastal town of Airlie Beach, is located halfway between Brisbane and Cairns on the Queensland coast. The region is situated in the heart of the Great Barrier Reef, the world's largest living structure, a massive stretch of coral teeming with marine life. The mostly uninhabited islands are characterised by national parks, hiking trails and white sandy beaches.

Cruise Whitsundays is the region's largest and most experienced marine operator offering a range of day cruises and island resort connections. Cruises visit the Great Barrier Reef, Whitehaven Beach and islands, with unique overnight experiences also available including Australia's first underwater accommodation, "Reefsuites" which opened late 2019.

Resort connections provide services between island resorts and the Whitsunday Coast, and connect the region's airports arrivals and departures. Tours depart from Port of Airlie in Airlie Beach, Daydream Island and Hamilton Island.

SAL SALIS NINGALOO REEF

Where the outback meets the reef... With just fifteen eco-luxe wilderness tents and one honeymoon tent hidden amongst the dunes overlooking Ningaloo Reef, Sal Salis provides a unique place from which to explore Western Australia's Coral Coast and one of Australia's best kept natural secrets.

The camp lies amongst the sand dunes with the coral reef and its marine residents just a few metres off shore. Ningaloo is also acknowledged as the best place in the world to swim with the world's largest fish, the whale shark, as these gentle giants migrate through every year. Swimming with humpback whales is also a highlight for guests at Sal Salis. The coastal dunes and gorges in the Cape Range National Park provide a prolific terrestrial wildlife experience with red kangaroos, wallaroos, echidnas, emus and more seen in and around the camp.

GETTING HERE

BY AIR

Qantas fly to Exmouth (Learmonth) with connections from most capital cities. Air and road transfers are available from RAAF Learmonth Airport (LEA) and must be pre-booked.

BY ROAD

The drive from Perth will take as much as 13 hours, please note that there is a 'no drive after dark' policy within the Cape Range National Park due to the high number of animals on the road during this time. The drive from RAAF Learmonth Airport (LEA) is 90 minutes and from Exmouth town it is 1 hour.

INCLUSIONS

- Open mid March to mid November (two night minimum stay)
- Accommodation with eco en suite bathroom
- All-inclusive chef prepared meals and snacks
- Drinks from a select open bar
- National Park entrance fees
- Guided wilderness activities such as sea kayaking and snorkelling on Ningaloo Reef and walks in the Cape Range National Park

SAL SALIS, NINGALOO REEF, WA

GUIDED GORGE WALKS

Early morning walks into the Cape Range provide a rugged and beautiful contrast to the reef and beach activities.

Guided walks usually depart before sunrise while temperatures are cooler, and take in Mandu Mandu Gorge and Yardie Creek Gorge. Keep an eye out for land mammals including red kangaroos, echidna and black-footed rock wallabies. Emus are also frequently sighted through the national park.

SEA KAYAKING

Guided forays across the reef reveal an array of colourful residents – fish, sea turtles, reef sharks, rays and corals.

Kayaks are the perfect vessel for exploring the reef and you will be shown how to do so without interference to the ecosystem. Our guided kayak-snorkel tours take you further offshore where we drop an anchor in the sand to snorkel some of the deeper lagoons. The lagoons in the reef are some of the best snorkelling spots on Ningaloo Reef - look out for soft corals, sponges, wobbegong sharks and hundreds of marine fish. Between August and October, you'll see humpback whales migrating along the coast, just metres beyond the reef.

SAL SALIS, NINGALOO REEF, WA

WHALE SHARK SWIM WITH LIVE NINGALOO

SWIM WITH THE WORLD'S LARGEST FISH

Each year between mid-March and July these slow-moving, gentle, filter-feeding giants migrate past Ningaloo Reef.

Sal Salis offers whale shark swims with select local partners for an additional cost. This needs to be pre-booked as the boats do fill up months in advance.

Your whale shark experience begins with a transfer to Tantabiddi Boat Ramp (about 25 minutes' drive) where you will meet your experienced skipper and crew for the day. Morning tea is usually served as you motor out into the Indian Ocean to begin the search, aided by a spotter aircraft that relays sightings to our skipper. The crew will help you get kitted out with the proper equipment, and will also provide a thorough briefing.

During the course of the day your crew will keep an eye out for turtles, dolphins, dugongs, rays and sea birds, plus there is usually time for a snorkel at the back of the reef. A delicious lunch featuring fresh Western Australian produce is provided too.

ROTTNEST EXPRESS

Rottnest Island sits just offshore from the city of Perth, in Western Australia. A protected nature reserve, it's famous for being the home to the quokka, a small wallaby-like marsupial. White-sand beaches and secluded coves include The Basin, with its shallow waters, and Thomson Bay, the main hub and ferry port. Strickland Bay is known for its surf breaks, while reef breaks occur at Radar Reef, off the island's far western tip.

Rottnest Express is Rottnest Island's largest and most experienced cruise company, operating daily year-round ferry services from Perth and Fremantle to Rottnest Island. We have been in operation for more than 60 years, offering a reliable and trusted service.

There is an extensive range of both guided and self-guided day tour packages including complimentary morning transfers from hotels in Perth and Fremantle, a variety of on-island activities followed by an array of lunch options (not included in tour price).

Rottnest Express' fleet of three high-speed, ocean going ferries have been specifically designed for the local sea conditions and are widely known for their smooth, fast and safe crossings. Snacks and beverages are available for purchase on board.

Ferries depart from B Shed and Northport terminals in Fremantle, and Elizabeth Quay in Perth city. Perth departures include a fully commented Swan River cruise.

Exploring the vast Australian Outback is for many people like an awakening. It delivers a new perspective of this extraordinary country; its environment, culture, wildlife and history.

Outback Spirit has been showcasing the outback for more than 20 years. An award-winning small group tour operator, they've grown from modest beginnings with a single 4WD coach to providing the largest range of outback experiences of any tour operator in Australia. With a fleet of 28 luxury 4WD Mercedes Benz touring coaches, Outback Spirit provides guests with the opportunity to venture off the beaten track without sacrificing comfort, professionalism and safety, while their passionate and knowledgeable guides make every trip an enlightening and unforgettable experience.

Outback Spirit adventure tours and desert safaris cover the length and breadth of Australia, with tours available in the following regions:

- Arnhem Land
- Cape York
- Queensland's east coast
- Outback Queensland & the gulf
- Simpson Desert
- Tasmania
- South Australia
- Central Australia
- The Pilbara & South West
- Canning Stock Route
- Kimberley & Top End

With headquarters located in Albury NSW, plus dedicated teams in Broome and Darwin and smaller bases located around the country, Outback Spirit offers a seamless touring experience from start to finish.

SUPPORTING INDIGENOUS COMMUNITIES

Outback Spirit proudly supports remote Indigenous communities and traditional landowners. In remote areas, they seek to employ local Indigenous people where possible. Often employed as tour guides, there's simply no better way of learning about Indigenous culture than firsthand from Traditional Owners. Their intimate knowledge of the landscape and seasons and their dreamtime stories make for a fascinating and enlightening cultural experience.

As well as supporting Indigenous communities through employment, Outback Spirit also provides valuable support for Indigenous owned and operated businesses and sponsorship opportunities, including sponsoring the Maningrida and Ramingining football clubs in Arnhem Land.

COMMITTED TO CONSERVATION

As an eco-certified company, Outback Spirit regularly reviews its potential impact on natural, cultural and historical environments. They strive to be ecologically sustainable and limit their impact on the environment through good practice, innovation and financial support for Australia's pre-eminent wildlife conservation group, AWC (Australian Wildlife Conservancy). AWC is a not-for-profit organisation dedicated to the protection of our most precious wildlife. With three million hectares under conservation locations such as the Kimberley, Gulf of Carpentaria, Cape York and Lake Eyre, AWC is making a real difference in the fight against extinction. Since 2008, Outback Spirit has donated more than \$1 million to AWC and will continue its support well into the future.
